

2020 GPMCT Hunting/Trapping/Fishing Policy & Form

Note: Hunting and trapping in the Wildlands has challenges:

- Getting game out: ATVs and other off-road vehicles are not permitted; there is no vehicle access to the Valley road this year.
- There are many non-hunting users at all times of year.

Hunting

Hunting is subject to State laws. State license and GPMCT registration are required. Use attached form to register. Email or stop by the office for signature

- No baiting of any animal (except for trapping purposes, as allowable by State law)
- No permanent tree stands or duck blinds
- No hunting within 100 feet of maintained gravel roads, campsites or parking lots
- No vehicle access. Walk in only
- You may be asked to report your harvest to GPMCT via annual survey
- Pick up litter and report trash dumps or game violations to Steward or game warden

Fishing

Fishing is allowed in the Wildlands, subject to State laws

Trapping

By State law, all trappers must carry with them appropriate State license AND written permission from GPMCT.

- Trappers are required to notify Trust of location of traps
- Use attached form to register. Email or stop by the office for signature
- No trapping within 100 ft. of roads, woods roads, campsites, hiking trails or parking lots
- You may be asked to report your harvest to GPMCT via annual survey
- No vehicle access – walk-in only
- No live trapping of any animal without prior permission of GPMCT

Watch for other users! You are likely to encounter hikers, bikers, equestrians, pets and others
